

The phone rings. Jules walks to the stereo and turns it down. He answers the phone while walking back to the bathroom.

DEBBIE(on the phone)  
Jules?

JULES  
Debbie? Hey girl, this is Jules.

DEBBIE(on phone)  
Hey baby. Can you come see me tonight?

JULES  
That's what you called about girl? I'm going out of town for a week.

DEBBIE  
For a week? Where you goin'?

JULES  
It's business.

DEBBIE  
Business my ass. I heard you quit Marcellus. You ain't got no job nigga.

JULES  
Nigga. I already told you not to call me that. Only black people say that to eachother. When you say it, that shit sounds racist.

DEBBIE  
Sorry.

JULES  
Just keep it nice and warm for me. I love you girl.

DEBBIE  
Alright baby. Don't you be fuckin no other girls.

JULES  
Later.

Jules hangs up the phone.

JULES  
Damn I hate that white girl. She got a helluva ass though.
